

GEOGRAPHY

SOC200 — 1.0 Credit

Course Description

In this course, you will be learning about the people, places, and environments that make up the world we live in. We will be exploring the jungles of the Amazon, the streets of London, the mountains of Nepal, the tundra of Alaska, and the islands of the Pacific in our joint quest to become global citizens.

Prerequisites

None

Course Length

Two semesters

Required Text

None
